

What's happening Year 3 this half term?

Autumn 1

The staff who work with me are:
Mrs Alderson

English

We will be reading a fiction story called The Iron Man by Ted Hughes.
From this book we will be writing lots of different types of writing such as our own narrative and character description of the Iron Man.

In our Shared Reading sessions, we will look at short extracts from classic fiction and non-fiction extracts based on our History and Science sessions.

Maths

In Year 3 we will be looking at:
Place Value: Numbers up to 1000, Addition and Subtraction: showing different methods. We will be using different Maths approach such as concrete, pictorial, and abstract to support our understanding of numbers.

A note from staff

We will continue to be available at the end of the day at the front of the Academy if you need to speak to us. Alternatively, please contact the Academy office.

History

We will be studying:
Local history: migration to West Yorkshire.
We will be finding out about what a migrant is. Then exploring the British Empire and how that has paved way for a diverse group of people to live and work in West Yorkshire resulting in change.

Science

We will be focussing on the different types of rocks, how fossils and soil are formed. This will be explored using various methods such as fair testing, model making and scientific illustrations.

Reminders

Please send your child into school with their full PE kit on: Tuesday and Wednesday

Please send your child to school with a water bottle daily

All pupils should be in school uniform each day.
