

### Diary entry

Write a diary entry for two days. This can be about a school day and one day on the weekend. Make sure you add prepositions, time adverbials and direct speech (who did you speak to? And what did they say to you?)

### Detailed diagram

Draw your version of a mountain or river diagram with all the important sections labelled. Try to be as detailed and creative as you can be! Try to make it 3D!

### Express yourself!

Try drawing expressively in the style of the impressionist art movement while listening to your favourite songs. See if your drawings are different with different types of songs e.g., sad songs and happy songs.

### Fact file

Research interesting life and work information about Edgar Degas. You can write this in your best handwriting or type it up. Make sure you add a picture of him and his work. Challenge yourself by drawing Degas.

### Super speller

Challenge yourself! See if you can correctly spell 20 of the year 3/4 statutory spellings. Miss Wonsa will hand out the statutory list for you or you can find this online by googling, Year 3 statutory spellings.

### Book review

Rate and comment on a book that you are reading at home. What would you rate the book out of 10 and why do you enjoy the book? This can include a drawing of a scene from the book.

### Make a seasonal card

Create a seasonal greeting card for a friend or the class. Make it bold and colourful with a lovely message on the inside.
